Over the years, we have built a vast network of industry contacts, including vendors, suppliers, and performers. This allows us to source the best possible resources for your event.

# OUR SERVICES

## 1. PROFESSIONAL CONFERENCE MANAGEMENT

We will help you develop a comprehensive conference plan that covers all aspects of the event, including venue selection, speaker management, and delegate registration. We will ensure that your conference is well-organised, engaging, and memorable.

## 3. STREAMLINED REGISTRATION MANAGEMENT

We ensure a seamless delegate registration process, from online to onsite physical registration. We will work with you to develop an online registration website and portal, manage your database, and provide telesales support.

## 2. COMPREHENSIVE EXHIBITION MANAGEMENT

We ensure that your trade show or exhibition runs smoothly. We will work closely with you and develop a strategy that maximises your brand exposure and attracts the right audience. From booth design and layout to visitor management and on-site support.

## 4. INNOVATIVE BRANDING SOLUTIONS

We understand branding is critical to creating a strong first impression to your prospective clients and leads; we have the best tools to ensure your brand is well placed in the eyes of those who see it, through creative, production, outdoor and media buying.

## **5. ROBUST MEDIA MANAGEMENT**

We understand media publicity is key to creating a buzz around your brand. Our social media strategies will ensure your brand marketing and branding goals are met through popular social media networks. In addition, we have the right connections within media circles to ensure your event gets the best coverage: from placing catchy supplements on leading Daily Papers, features and Press Conferences you can count on our prowess to ensure word about your event and brand spread far and wide

## **6. EXPERT ENTERTAINMENT MANAGEMENT**

will help you add the wow factor to your event. We will work with you to understand your goals and objectives and develop an entertainment program that will captivate your audience and leave a lasting impression.

## **7. MARKETING AND CALL CENTRE SOLUTIONS**

By understanding our clients marketing needs we are experts at customer profiling, data mining, cold calls and reaching our client targets for their specific needs.
